

# KAUST Discovery Doctoral Fellowship

With support from the European Science Foundation (ESF), KAUST has launched a competitive doctoral fellowship scheme for students from Europe and North America commencing their program of study in 2022.

**Selected applicants receive a generous package which enhances the existing KAUST Fellowship. Worth approximately USD 95,000 per year, it includes:**

- Living Allowance (USD 38,000 per year)
- Supplementary Research Grant (USD 6,000 over 3 years)
- Free Tuition (worth USD 35,000)
- On-Campus Housing and Utilities
- Medical Insurance (USD 15,000)
- Relocation costs (including visa & air fare)

Applications must be submitted by

**13 February 2022**
