

KAUST
An international graduate-level
research university

On behalf of the [Physical Science and Engineering Division](#) we would like to invite you to an exclusive webinar with our academic Program Chairs to **EXPLORE KAUST!**

This is a great opportunity for you to:

- Meet the below Program Chairs and learn more about their academic programs;
- Find out about our [admission requirements](#), [Visiting Student Research Program](#) (VSRP), and life at KAUST;
- Meet current students, and ask questions about the **guaranteed [KAUST Fellowship!](#)**

Meet our panelists:

Prof. Udo Schwingenschlögl
Chair and Professor
Applied Physics

Prof. Ingo Pinnau
Chair and Professor
Chemical Engineering

Prof. Niveen Khashab
Chair and Associate Professor
Chemical Science

Prof. Stefaan De Wolf
Chair and Associate Professor
Material Science and Engineering

PSE Webinar

5 November from **16:00 to 17:00** (KSA Time)

Please click [here](#) to convert to your local time zone.
