

KAUST

King Abdullah University of Science and Technology

An international graduate-level research university located on the shores of the Red Sea. **Ranked 1st in the Middle East** and 6th in the world of the Global Top Ten Young Universities (New Nature Index, 2019).

KAUST provides an excellent learning environment, attracting top international faculty and students from across the globe, all focused on finding solutions to problems in areas related to water, food, energy, and the environment.

Admission to KAUST is merit based and the language of instruction is English.

POLIMI and KAUST

Politecnico di Milano

POLIMI & KAUST have established an agreement that offers Politecnico di Milano students a research internship at KAUST as part of the Visiting Student Research program (VSRP).

Process

KAUST Faculty will create VSRP project proposals that will be posted on the **KAUST VSRP** website. POLIMI students will be responsible for selecting the preferred project proposal and contacting the faculty.
