KAUST

King Abdullah University of Science and Technology

An international graduate-level research university located on the shores of the Red Sea. **Ranked 1st in the Middle East** and 6th in the world of the Global Top Ten Young Universities (New Nature Index, 2019).

KAUST provides an excellent learning environment, attracting top international faculty and students from across the globe, all focused on finding solutions to problems in areas related to water, food, energy, and the environment.

Admission to KAUST is merit based and the language of instruction is English.

UA and KAUST

Universidade de Aveiro

UA & KAUST have established an agreement that offers Universidade de Aveiro students a research internship at KAUST as part of the Visiting Student Research program (VSRP).

Under this agreement KAUST faculty will host up to three (3) students nominated by UA to participate in VSRP.

Process

KAUST Faculty will create VSRP project proposals that will be posted on KAUST VSRP and UA websites. UA students will be responsible for selecting the preferred project proposal and contacting the faculty.

VSRP

Visiting Student Research Program

A unique program that offers students the chance to conduct innovative research at KAUST.

With research opportunities that span the breadth of the scientific and engineering fields, driven students with insatiable curiosity and strong academic performance, can gain unparalleled opportunities to pursue their research questions under the guidance and support of KAUST faculty mentors.

- ▶ **Three to six month internships**
- ▶ **Applications accepted year-round**
- ▶ **Over 100 VSRP internships offered every academic year**
- ▶ **Over 200 Faculty projects available for research internships**

VSRP Benefits

USD 1000
Monthly Stipend

Health
Insurance

**Private Bedroom/
Bathroom**

Social and Cultural
Activities

Visa and Airfare
Fees

Access to **Core laboratories**
and **major research and**
community facilities

Application Requirements

Please allow four to six weeks for your application review

- ✓ Official university transcripts in English
- ✓ Statement of purpose
- ✓ Curriculum Vitae (CV)
- ✓ Letter of recommendation
- ✓ Passport with 6 months validity

Degree Programs

Biological and Environmental Science and Engineering

- ▶ Bioscience
- ▶ Bioengineering
- ▶ Environmental Science and Engineering
- ▶ Marine Science
- ▶ Plant Science

Computer, Electrical and Mathematical Science and Engineering

- ▶ Applied Mathematics and Computational Science
- ▶ Computer Science
- ▶ Electrical and Computer Engineering
- ▶ Statistics

Physical Science and Engineering

- ▶ Applied Physics
- ▶ Chemical Engineering
- ▶ Chemical Science
- ▶ Earth Science and Engineering
- ▶ Energy Resources and Petroleum Engineering
- ▶ Material Science and Engineering
- ▶ Mechanical Engineering

Eligibility

- ✓ 3rd and 4th Year Baccalaureate or Masters Students
- ✓ GPA 3.5/4 or 14/20 (ECTS B)
- ✓ Strong verbal and written English skills. Recommended levels, minimum TOEFL score of 79 on the IBT or 6.0 on the IELTS
